

NEMO DISTRICT BAND MEDAL ORDERS

Directors or individual students may order District band medals if you wish. The Bale Company has the design and specifications for our medals. When ordering, you must ask for item number **4-0319** in bronze. You will also need to specify if you want a purple and white ribbon for District Band or a solid white ribbon for Honorable Mention Band.

The Bale Company is now a division of Herf Jones so you may have to go through that website to place orders.
